

Made by Glowforge. We're building a desktop laser that makes beautiful things, quickly, out of materials like wood, leather, cardboard, fabric, foam, acrylic, and more.

You can sign up to find out when our first Glowforges will be available at a special half price launch discount at www.glowforge.com

Wood suggestions:

Wood - Walnut
Wheat - Yellowheart
Sheep - Maple
Brick - Padauk
Ore - Wenge
Desert - Mahogany
